**Shelly Ann M. Mangahas, M.D.**  
Chair Committee on Standards  
Philippine Academy of Ophthalmology

Dear Dr. Mangahas,

*Greetings from the Philippine Board of Ophthalmology!*

The PBO endorses the recommendation of the PAO Committee on Standards regarding the adoption of clinical nomenclature as a standard terminology for the Academy to use for ophthalmic agents, procedures and processes.

We have designated the PBO Committee on Medical Education to coordinate with your committee regarding the details of this endeavor.

Very truly yours,

  
**Jacinto V. Dy-Liacco, M.D.**  
President  
Philippine Board of Ophthalmology
